The **Baby Einstein Baby Wordsworth™ First Words-Around the House** DVD takes your little one on a playful and engaging musical exploration of the new world around him. Set to the music of master classical composers including Bach, Bizet and Schubert, **Baby Wordsworth First Words-Around the House** is a rich and interactive learning experience that introduces your little one to the concepts of verbal and written communication and sign language.

By using your little one's immediate and surrounding environment to enhance the learning experience, **Baby Wordsworth™ First Words-Around the House** is a fun and fascinating interactive tool that fosters the development of your toddler's speech and language skills. Special guest Academy Award winning actress Marlee Matlin introduces your little one to 25 words for objects found around the home. Words include common items like chair, dog and lamp that can be found in any of five different rooms of the house -- kitchen, living room, yard, bedroom and playroom. The delightful DVD includes enchanting puppet shows, real world images and classical music specially re-orchestrated for little ears. Plus, with three language tracks, your little one can learn new words in Spanish, French and English.

In addition to closed captioning, The **Baby Wordsworth First Words-Around the House** DVD also contains seven bonus features, including Repeat Play, Discovery Cards, Language Tracks (in Spanish, French and English), Expressions in Sign language, The Alphabet (in Sign Language,) Story Time with Violet's House and the Toy Chest. The **Baby Wordsworth™ First Words-Around the House** DVD has a total running time of approximately 39 minutes and is organized for easy navigation.

Repeat Play

A convenient Repeat Play option allows repeat video viewing with one touch of a button.

Discovery Cards

Interactive Discovery Cards are a first of its kind application for DVD technology. A new set of Baby Einstein's **Discovery Cards** has been created and featured here in video still frames. Parents and children can "step" through the more than two-dozen engaging photos of words and places from your toddler's environment including the yard, bedroom and kitchen. The images are labeled with written vocabulary words providing endless interactive possibilities for you and your little one.

Puppet Shows

A series of three playful puppet shows featuring the puppet hosts of **Baby Wordsworth** will engage and delight your little one.

Expressions in Sign Language

Expressions in Sign Language is an interactive game designed to help your little one learn to sign a variety of words through American Sign Language and other hand gestures to communicate concepts and words. Your little one will be encouraged to mimic the hand motions and learn the sign for each word displayed on the screen.

The Alphabet

Presented in American Sign Language, your baby will learn to sign each letter of the alphabet. Presented with fun music and stimulating colors, your little one will be encouraged to identify, speak and sign each letter of the alphabet.

Story Time with Violet's House

Also included on the **Baby Wordsworth First Words-Around the House** DVD is a section featuring the delightfully narrated tale of Violet the mouse, from the Baby Einstein Giant Touch-and-Feel Board Book **Violet's House**. Your little one will meet Violet at her house and discover many of the objects that surround them in their everyday world. Our narrator reads the story as brightly colored images from the book delight your child with a storyline that helps her learn about the world around her.
